

*What people are saying
about weddings and receptions on StarLite*

“Marsha and I wanted to express our sincere gratitude for all that you and your company did for our celebration. With your help, our wedding was spectacular and will be forever in our memory. One of our guests came to me a few weeks later and said “That was the most beautiful wedding I have ever attended, and I have been to many.” Marsha and I certainly made the right choice in selecting the StarLite Majesty to be our host for this very important time in our lives. Thank you.”

You mad the whole process very easy, especially since we're from out of state. Many of our guests raved about the food and this was a much better value and experience than a hotel reception.

Our wedding on the StarLite Majesty was the most memorable night of my life, not only because it was my wedding - but because everything was so wonderful - in terms of service, friendliness, cleanliness, and the atmosphere was perfect! The band was great and our guests loved them as did we.

Married on the StarLite Princess...could we even begin to put into words how perfect our wedding day was because of you. There is nothing you could do to improve as far as we are concerned. Our guests have done nothing but rave about the service and hospitality. You took all the stress for us and treated our guests like they were as special to you as they were to us.

Could we ever thank you enough?

Allan and Dianne Caldwell

Well done and many thank you's and A+++’s. A+ service, A+ atmosphere, A+ staff. A+++ to everything. The ship was more than what we could have ever expected. I cannot emphasize enough thanks and appreciation to everyone who made our wedding day go without a flaw.

Christine Rivers-Comella

It was a perfect event. Thank you for making Tracey and Tim’s wedding a huge success. Your staff was on top of their game - they should be complimented! We can’t believe how lucky we were to find StarLite. The band and host kept the night moving. Our only complaint was that it was over too soon! Everyone made the night so special for our daughter and son-in-law.
